**AJOT**

**Index to Volume 58, 2004**

### Author Index

#### A

- Abreu BC, Peloquin SM. The Issue Is—Embracing diversity in our profession, 58(3): 353–358
- Alvarado MI. Mucho camino: The experiences of two undocumented Mexican mothers participating in their child’s early intervention program, 58(5): 521–530
- Aronow HU, see Niemeyer LO
- Ashe B, see Dubouloz C-J

#### B

- Barker DB, see Hotchkiss A
- Barker DJ, Reid D, Cott, C. Acceptance and meanings of wheelchair use in senior stroke survivors, 58(2): 221–230
- Bode RK, see Chen CC
- Bonder BR, Martin L, Miracle AW. Culture emergent in occupation, 58(2): 159–168
- Braveman B, see Kielhofner G
- Breines EB. Response to Cutchin’s using Deweyan philosophy to rename and refrae adaptation-to-environment, 58(3): 315–316
- Brown AT, Thomas JJ. Trowels labeled ergonomic versus standard design: Preferences and effects on wrist range of motion during a gardening occupation, 58(3): 317–323

#### C

- Case-Smith J. Parenting a child with a chronic medical condition, 58(5): 551–560
- Chan CCH, see Tsang HWH
- Chan F, see Tsang HWH
- Chan J, Spencer J. Adaptation to hand injury: An evolving experience, 58(2): 128–139
- Chan SCC. Chronic obstructive pulmonary disease and engagement in occupation, 58(4): 408–415
- Corcoran MA. From the Desk of the Editor—Exploring the role of family in occupation and family occupations, 58(5): 487–488
- Corcoran MA. From the Desk of the Editor—New beginnings, 58(2): 127
- Corcoran MA. From the Desk of the Editor—Personal professional journeys, 58(3): 247–248
- Corcoran MA. From the Desk of the Editor—Public images of occupational therapy, 58(6): 607–608
- Corcoran MA. From the Desk of the Editor—The proof is in the process, 58(1): 7–8
- Corcoran MA. From the Desk of the Editor—Work, occupation, and occupational therapy, 58(4): 367–368
- Coster W, see Dolva A
- Coster WJ, see Tarbell MH
- Cott C, see Barker DJ
- Coulter M, see Howie L
- Cronin AF. Mothering a child with hidden impairments, 58(1): 83–92
- Cutchin MP. Using Deweyan philosophy to rename and refract adaptation-to-environment, 58(3): 303–312

#### D

- DeGrace BW. The everyday occupation of families with children with autism, 58(5): 543–550
- Dickie V. Culture is tricky: A commentary on culture emergent in occupation, 58(2): 169–173
- Dudek-Shiriber L. Parent stress in the neonatal intensive care unit and the influence of parent and infant characteristics, 58(5): 509–520
- Duncombe LW. Comparing learning of cooking in home and clinic for people with schizophrenia, 58(3): 272–278

#### E

- Eliasson A, see Sköld A
- Exner CE, see Smith-Zuzovsky N

#### F

- Feldman S, see Howie L
- Finlayson M. Concerns about the future among older adults with multiple sclerosis, 58(1): 54–63
- Finlayson M, see Kielhofner G
- Finlayson M, see Kielhofner G
- Fisher A, see Hotchkiss A
- Fitzgerald MH. A dialogue on occupational therapy, culture, and families, 58(5): 489–498
- Forsyth K, see Kielhofner G
- Furlong B, see Lohman H

#### G

- Gabriel L, see Lohman H
- Goldbaum L, see Kielhofner G
- Goldstein K, see Kielhofner G
- Gordon D, see Christiansen CH
- Granger CV, see Chen CC

#### H

- Hall M, see Dubouloz C-J
- Hammel J, see Kielhofner G
- Hammerschmidt SL, Sudsawad P. Teachers’ survey on problems with handwriting: Referral, evaluation, and outcomes, 58(2): 185–192
- Hammerschmidt SL, Sudsawad P. Teachers’ survey on problems with handwriting: Referral, evaluation, and outcomes, 58(2): 185–192
